American Association of University Women

97TH CONGRESS, FIRST SESSION, CONGRESSIONAL VOTING RECORD

This voting record has been compiled by the Public Policy Department of the American Association of University Women to make AAUW members aware of the positions taken by Members of the 97th Congress on the Association's legislative priorities. These issues were selected from the Legislative Program and Resolutions adopted by the Association Convention in 1981. At a time when critical economic and social changes are being decided by Congress, it is imperative that members be informed about the activities of their Representatives and Senators. This Voting Record provides the voted position of each Member of Congress on a variety of issues and a percentage rating showing the degree of support each Member has demonstrated for AAUW positions.

The AAUW selected 11 Senate votes and 9 House votes because of their relevance to the Association Legislative Program. In each case, the bill or amendment in question is described along with the final action taken by Congress. The AAUW position is also indicated. The tables list each Member (by state) and his or her vote on each item. A vote in accordance with the AAUW position is a RIGHT (R) vote. A vote disagreeing with the AAUW position is a WRONG (\overline{W}) vote. This voting record can be used as a reference to check your legislators' actions simply and quickly.

With this information, we urge you to take pen in hand and inform your legislators of your opinions to guarantee the accurate representation of their constituents. If the voted positions reflect AAUW's, write your representatives. Thank them for their past support and urge their continued support in these areas. If your legislators voted in opposition to AAUW's position, write them and voice your disapproval. Remember, your Members of Congress are responsible to you.

This report was prepared by the AAUW Public Policy Department with the special assistance and research of Ms. Linda Kerrick.

1981 VOTING RECORD

AMERICAN ASSOCIATION OF UNIVERSITY WOMEN

VOTE DESCRIPTIONS: THE SENATE

- 1. NATIONAL ENDOWMENT FOR THE ARTS/NATIONAL ENDOWMENT FOR THE HUMANITIES APPROPRIATIONS (FY82). This appropriation provided \$119.3 million for NEA and \$113.7 million for NEH in FY82. These figures were higher than the President's budget request, but lower than the House-passed appropriation. The appropriation bill for the Department of the Interior and Related Agencies was passed 82-8 on October 27, 1981. AAUW supported this action. A vote in favor was a RIGHT vote.
- 2. FY82 BUDGET TARGETS (First Budget Resolution). This was the first version of the FY82 budget. This bill set target ceilings for expenditures and target floors for revenues and included the first round of budget cuts. It anticipated a \$50.5 billion deficit for FY82. The Resolution also revised spending for 1981. The Resolution was adopted 78-20 on May 12, 1981. Because of the large cuts in funding for social programs affecting women, the AAUW did not support the passage of this measure. A vote in favor was a WRONG vote.
- 3. FY82 BUDGET RECONCILIATION. This was the administration-backed budget bill. It called for additional cuts in entitlement programs beyond the First Budget Resolution (Vote 2), and for consolidating many categorical programs into block grants. Few concrete details were available at the time of the vote. The Omnibus Budget Reconciliation Act of 1981 was adopted 80-15 on June 25, 1981. AAUW did not support this bill. A vote in favor was a WRONG vote.
- 4. SOCIAL SECURITY (Minimum Benefit). An earlier action by the Senate had removed the minimum Social Security benefit. This bill restored the minimum benefit to most current recipients and to individuals becoming eligible by December 31, 1981. Only those living abroad were actually removed from the rolls. Provisions were made to reduce monthly payments to those on federal pensions. Approximately seventy-six percent of all minimum benefit recipients are women. The bill also reallocated the application of payroll taxes among the three Social Security trust funds. The maximum family retirement and survivor's benefit were reduced. The bill was adopted 95-0 on October 15, 1981. AAUW supported the restoration of the minimum benefit. A vote in favor was a RIGHT vote.
- 5. MX (Defense Appropriations FY82). This amendment, sponsored by Sen. David Pryor (D-AR), would have deleted \$354 million from Department of Defense appropriations. This money had been earmarked for research on an interim basing system for the MX missile that would use super-hardened missile silos. The administration opposed the Pryor amendment. This amendment was rejected 35-60 on December 3, 1981. AAUW supported this amendment, based on the Association's position opposing the land-based MX. A vote in favor was a RIGHT vote.

- ABORTION FUNDING. This amendment, introduced by Sen. Jesse Helms (R-NC), reversed an earlier amendment adopted by the Appropriations Committee to allow Medicaid funding of abortions. The Helms amendment restored the prohibition on Medicaid funding of abortions. It permitted only those needed to save the mother's lite. President Reagan supported this amendment. The motion was approved 52-43 on May 21, 1981. AAUW supports freedom of reproductive choice for all women and therefore did not support this amendment. A vote in favor was a WRONG vote.
- 7. FOOD STAMPS. This amendment, sponsored by Sen. Patrick Leahy (D-VT), provided that the ceiling on federal Food Stamp spending would be adjusted, up or down, when unemployment or inflation in food prices significantly exceed or is less than the projected rates on which the federal Food Stamp ceiling is based. Sixty-nine percent of Food Stamp recipients are women. This amendment was defeated 41-53 on June 10, 1981. The administration opposed the Leahy amendment. AAUW was in favor of this amendment. A vote in favor was a RIGHT vote.
- 8. CHILD NUTRITION. As part of the FY81 supplemental appropriations bill, Sen. James Abdnor's (R-SD) amendment allocated an additional \$538 million for the Food Stamp Program and \$110 million for child nutrition programs. This amendment enabled these programs to continue to provide the same level of services throughout the remainder of FY82. Eleven million children benefit from Food Stamps, and all of the \$950 million spent for the Women, Infants and Children Food Program (WIC) benefits mothers and children under age five who are classified as "nutritonal risks." Currently, WIC reaches only one quarter of those who are eligible. It was passed 50-45 on May 21, 1981. AAUW supported this amendment. A vote in favor was a RIGHT vote.
- FOREIGN ASSISTANCE APPROPRIATIONS (FY82). This bill appropriated 9. \$7.3 billion for foreign economic and military assistance. This was a lesser amount than had been requested by the President. bill drew criticism because of the high percentage of funds allotted to military rather than economic programs. However, unlike the House-passed bill it included \$450,000 for the UN Decade for Women Voluntary Fund. Among the important provisions of the bill was the continued support of the International Development Association (an arm of the World Bank that provides interest free loans to the least developed countries). The passage of this bill also marked an attempt by the Senate to limit spending on foreign The bill passed 57-33 on November 17, 1981. AAUW has consistently supported economic assistance that focuses on development and makes increased use of international agencies. Association supports money for the Voluntary Fund. A vote in favor was a RIGHT vote.
- 10. STUDENT LOANS. An amendment to add \$160 million to the FY82 budget for financial aid to students was offered by Sen. Claiborne Pell (D-RI). It was rejected by the Senate 38-59 on November 19, 1981. AAUW supported this amendment. A vote in favor was a RIGHT vote.

11. LEGAL SERVICES CORPORATION. Sen. Orrin Hatch (R-UT) proposed the elimination of \$100 million for Legal Services Corporation (LSC). LSC provides public defenders and legal services for those who cannot afford them. This amendment to the FY82 budget resolution was rejected 24-72 on May 7, 1981. AAUW supports the LSC because of the access to the legal system that it offers to the poor. Sixty-seven percent of LSC clients are women; thirty-six percent of LSC attorneys are women. AAUW did not support this amendment. A vote in favor was a WRONG vote.

VOTE DESCRIPTIONS: THE HOUSE OF REPRESENTATIVES

- 1. NATIONAL ENDOWMENT FOR THE ARTS/NATIONAL ENDOWMENT FOR THE
 HUMANITIES (Department of Interior Appropriations FY82). This bill
 provided \$157 million for NEA and \$144 million for NEH in FY82.
 Congress ignored an earlier request by the President for 50% cuts
 in these appropriations. This appropriations bill for the Interior
 and Related Agencies was passed 358-46 on July 22, 1981. AAUW
 supported this action. A vote in favor was a RIGHT vote.
- 2. FY82 BUDGET TARGETS (First Budget Resolution). This was the first version of the FY82 budget. It set target ceilings for expenditures and target floors for revenues; it included the first round of budget cuts. The House version anticipated a \$31 million deficit. An additional \$36.6 million in cuts from FY81 spending was mandated. The resolution also revised spending for 1981. The budget was adopted 270-154 on May 7, 1981. AAUW did not support the adoption of the budget because of the large cuts in a wide variety of programs affecting women. A vote in favor was a WRONG vote.
- 3. FY82 BUDGET RECONCILIATION. This was the administration-backed budget bill. It called for additional cuts to entitlements programs beyond the First Budget Resolution (Vote #2) and for consolidating more programs into block grants. Few concrete details were available at the time of the vote. This version was adopted 217-211 on June 26, 1981. AAUW did not support this bill. A vote in favor was a WRONG vote.
- 4. SOCIAL SECURITY (Minimum Benefit). This bill restored the minimum Social Security benefit to the current recipients of the benefit and to people who would become eligible by December 31, 1981.

 Seventy-six percent of all minimum benefit recipients are women. The bill to restore the benefit passed 404-20 on July 31, 1981. AAUW supported this action. A vote in favor was a RIGHT vote.
- 5. MX (Defense Department Authorization FY82). This amendment, sponsored by Rep. Paul Simon (D-IL), prohibited expenditure of runds for the MX missile system until both houses of Congress approved the basing method to be selected by the President. Congressional approval of the President's selection would be required within sixty days of the choice. This particular amendment discouraged the mobile land-based MX, a basing system that AAUW opposes. The Simon amendment was rejected 201-207 on July 9, 1981. AAUW supported this proposal. A vote in favor was a RIGHT vote.
- 6. ABORTION FUNDING. This amendment by Rep. John Ashbrook (R-OH) to the supplemental appropriations bill for FY81 prohibited the government employee health insurance program from paying for abortions. This action is part of a tendency by anti-abortion forces to attach funding prohibition amendments to critical funding bills. This amendment was adopted 242-155 on May 13, 1981. AAUW did not support the passage of this amendment. A vote in favor was a WRONG vote.

- 7. FOOD STAMPS. This amendment to the Food and Agriculture Act of 1981 required food stamp recipients to pay for a portion of their stamps. It was proposed by Rep. Robert Walker (R-PA). Sixty-nine percent of food stamp recipients are women. The administration opposed this amendment. This action was rejected 147-251 on October 22, 1981. AAUW did not support this proposal. A vote in favor was a WRONG vote.
- FOREIGN ASSISTANCE APPROPRIATIONS (FY82). Foreign assistance bills are normally hotly contested actions. This particular bill drew criticism because of the high percentage of funds allotted to military rather than economic programs; it also omitted any funding for the UN Decade for Women Voluntary Fund. The bill included funds for the International Development Association. A compromise total of \$725 million was appropriated toward the fulfillment of a U.S. pledge for assistance. The bill passed 199-166 on December 11, 1981. AAUW has consistently supported economic assistance that focuses on development and makes increased use of international agencies. The Association opposed the cut of Voluntary Fund money, but supported the final bill. A vote in favor was a RIGHT vote.
- 9. VOTING RIGHTS ACT. This act provided for the continuation of key provisions of the 1965 Voting Rights Act. These provisions include: the use of "discriminatory result" as the standard of proof for voter discrimination; the availability of bilingual materials on voting; the clearance of changes in voting laws for some political jurisdictions with the Department of Justice; and the continued use of the three judge appeals court in Washington, DC. The action passed 389-24 on October 5, 1981. AAUW supported extension of this law. A vote in favor was a RIGHT vote.
